BrownTasaurus Records

GURU'S JAZZMAJAZZ trumpeter

JazzOnline.com writes: "Acclaimed Trinidadian trumpeter Brownman's powerful electrified trio captures the essence of the later years in Miles Davis' life, his electric period, without imitation. His ELECTRYC TRIO is uniquely his own, yet echoes with the sounds of 'Bitches Brew' and 'In a Silent Way' right down to Miles' use of electronics while still managing to stay grounded in the sounds of today. Clearly paying apt tribute to Brownman's NYC mentor Randy Brecker, they are a truly impressive and energized modern jazz outfit."

"the new standard in electric jazz" - National Public Radio (NPR). New York City
