Intro: **DM/G - Dsus2/E - Dsus2add4/C - DM - Em**

DM/G - Dsus2/E - Dsus2add4/C - DM

Build me so high that you can see my heart

So much that there is no one else

And all we can do is feel us grow high

DM/G - Dsus2/E - Dsus2add4/C - DM

But, what would you do if all we saw was each other

Then we'd have to face the questions:

DM/G - Dsus2/E - Dsus2add4/C - DM - Em

Like, are you in love?

Is this what you really want?

Don't be sure cuz if you don't feel it now

Then we would we take the fall down

The fall down

We're breaking to pieces

We're falling down

FALL

DM/G - Dsus2/E - Dsus2add4/C - DM

Would that make it right if you see the fact that

I can't dance well,

DM/G - Dsus2/E - Dsus2add4/C - DM

Give it all away

If you wanna take it

I don't wanna fake it now,

DM/G - Dsus2/E - Dsus2add4/C - DM - Em

Like, are you in love?

Is this what you really want?

Don't be sure cuz if you don't feel it now

The fall down

We're breaking to pieces

We're falling down
