"Fresh and youthfully joyful... key to the sound of Nick Maclean's quartet is the gloriously expressive trumpeter Brownman Ali"

- Hobart Taylor, KUCI 88.9FM (California, USA)

This February, Canada's multi-award-winning NICK MACLEAN QUARTET feat. BROWNMAL ALI embarks on an international tour of the UK and Scotland, bringing them across the Atlantic from their hometown of Toronto, Canada. Led by 26-year old fast-rising piano star NICK MACLEAN -- a 6x Global Music Award winner, a graduate of the University Of Toronto, and one of the most in-demand young jazz piano players in Toronto -- this contemplative yet thrilling quartet delivers jazz between the two poles of thoughtful introspection and powerhouse conveyance, taking influences from Herbie Hancock's primordial 1960's Blue Note era recordings, while paying tribute to some of the greatest improvisers in jazz history

The quartet heavily features one of Canada's most provocative improvising trumpet players currently splitting his time between Brooklyn, NY & Toronto, Canada -- 2x National Jazz Award winner & Internationally acclaimed Jazz Iconoclast -- BROWNMAL ALI, heralded as "Canada's preeminent jazz trumpet player" by New York City's Village Voice, and best known internationally as the last trumpet player with the legendary jazz-hip-hop group GURU's JAZZMATAZZ. Ali & Maclean stand shoulder-to-shoulder with 2 of Toronto's top-tier 20-somethings: JESSE DIETSCHL on upright bass, and TYLER GOERTZEN on drums.
